

Corporate, Press and Pampering Events

Leticia Haute Coiffure team at the 2013 Glamour Awards

Leticia Haute Coiffure also offers a wide selection of events including corporate events (staff grooming and styling master classes, clients entertainment, staff rewards, team building), pampering events (bridal and baby showers, sweet 16...) and press events (private clients including L'Oreal Group, Essie, Glamour Magazine, Never Underdressed Magazine, Browns, Matches Fashion, Beulah, Donna Ida, Morton's, Annabel's etc...)

For Press and Corporate events our concept is unique: everything must revolve around *your* event. After discussing with you we'll put together a brief for our staff about yourself or your brand, the objectives of the event and we will put together a mood board in order to deliver a selection of services in line with your event and objectives to achieve a maximum return on investment. Our staff is virtually part of your team able to convey your brand ethos and events message during the entertainment that they provide to your guests.
